

To the Members of the SKHOA:

It's that time of year again. We are seeking interested members to serve as an officer on the SKHOA Board of Directors. The nominating slate is presented to the members in advance of the Annual General Meeting, at which time there will be a vote by the members.

The officers of our Association consist of a President, a Vice President, a Secretary, a Treasurer and the Directors. According to our Bylaws, the total number of Directors needed are no less than nine and no more than eleven and include the President, Vice President, Secretary and Treasurer. The term of office for each is one year, so a new slate is voted in at our annual meeting. This means that all positions are open. Any currently serving officer may be re-elected, and there is no limit to the number of terms any officer can serve. Only one member of a household can hold office at any given time, unless those household members own more than one lot, in which case both members of the household can serve at the same time, each representing a different lot and a different membership in the Association.

We anticipate losing several of our long-standing volunteers at the end of this year, so we invite and encourage you to become involved with our community by serving on our BOD.

If the nominating slate consists of more members than are allowed, or more than one person is interested in the President, Vice President, Secretary, Treasurer or Building Committee Chair position, the voting will be conducted by written ballot. The votes will be counted during the meeting and the results announced at the conclusion of the meeting.

If any member is interested in participating, please respond to this email. If you have any questions or would like more information, feel free to contact any member of the nominating committee to discuss your interest. We will accept nominations up through the end of November.

We look forward to your continued interest and support in our community.
